Revise/ Delete	Change*	Current	Change	Justification	Effective Semester
Revise	Change Course Name	Comm 1010 Intro to Speech Communication	Comm 1010 Elements of Effective Communication	The prior title seems to suggest that this is an introductory course to our major, but it is not. It is a general skills course for non-majors. Others schools in the state have made a similar change.	Summer 2008
Revise	Add Pre-requisite to Comm 2380	None	Comm 1560 Beginning Radio Production	The Curriculum Committee advised that we keep Comm 1560 for articulation purposes with other schools who offer this course. We have agreed to do so, and also feel like it should be a prerequisite to the Radio Production Practicum I course—Comm 2380	Fall 2008
Revise	Cross-List with Theater Course	Comm 4790 Audio Design for Digital Motion Pictures	Cross-List with Thea 3500 Sound Technology	The content of these two courses is nearly identical. We would like our students to take the theater course to fulfill this core requirement for our film program.	Fall 2008
