PEHR**** (if applicable)	Ed-HASS					2011-12

\*Programs offering degrees and/or certificates

\*\*NWCCU full-scale accreditation. All self-studies for accreditation must be completed by January 15, 2012.

\*\*\*Discipline accredited or seeking discipline accreditation

\*\*\*\*If PEHR becomes a degree-offering program; if it doesn't, this plan recommends eliminating it from the Program Review matrix.

This matrix eliminates:      Graphic Communication and Anthropology

It combines:                      Composition and Literature; Chemistry and Geology; FCS and Early Childhood Development; Engineering and Physics; Business Administration and Economics, Criminal Justice and Sociology.

It separates:                      Psychology, Sociology and Criminal Justice

It assumes:                        Theater, Music and Criminal Justice will become degree programs by 2012.
