2.7 International Student Applicants

2.7.1 International student applicants must meet the following requirements prior to the semester they wish to attend and be in compliance with all federal regulations:

2.7.1.1 Submit an international student admissions application with a non-refundable application fee.

2.7.1.2 Submit TOEFL scores or Michigan Proficiency Test scores that meet the minimum institutional requirement. Test scores must be sent directly from the testing center to the Office of the Registrar. **Students not meeting the minimum test score requirement will be admitted conditionally, and must enroll in ESOL courses and pass the English competency exam prior to being matriculated as a degree seeking student and taking other college coursework.**

2.7.1.3 Submit a financial statement, in U.S. currency, verifying the institution's minimum requirement for educational and living expenses per year.

2.7.1.4 Submit official transcripts of all educational institutions attended.

~~2.7.1.5 Submit a statement of good health signed by a licensed physician. The state of Utah requires all international students be tested for tuberculosis.~~

~~2.7.1.6 Submit two letters of recommendation from certified school officials.~~

2.7.1.7 After all requirements are met, an I-20 eligibility form will be sent to the student. A student must register for college within 60 days after receiving the I-20 form.

2.7.1.8 **Upon arrival, international students are required to provide proof of Tuberculin Skin Test (TB), proof of health insurance, and must complete the College Placement Test (CPT). International students are required to purchase the Group Hospitalization, Medical Evacuation, and Repatriation Insurance Plan provided through the institution at the time of registration.**
