

# Dixie State Intramurals

## 3 V 3 Basketball

---

### Eligibility

- To participate in Intramural sports a player must be a current Dixie State student and needs to present an ID card at every event. A player may only play on one team per sport. A player that has not played in the regular season may not be added to the roster for the tournament/playoffs; only players who have previously played on the team can play during the tournament/playoffs. If a team is eliminated the players may not play on a different team. A current DSC collegiate athlete may not play the same sport in Intramurals.

### Sportsmanship

- Participation in DSC Intramurals is a privilege; it is for enjoyment and enhances the college experience. Respect for teammates, opponents, and the Intramural Staff is expected. Acknowledge that the referees are not professionals, but fellow students. Having amateur and inexperienced officials will result in inconsistencies and/or discrepancies in their calls throughout the course of a game or season. Respect for officials is mandatory, and disrespect will not be tolerated. After each game a sportsmanship grade of A, B, C, D, or F will be given to each team by the officials. Teams must maintain a 2.0 average to continue during league play and a 3.0 average is required to enter the tournament.

### Rules

- A match will be played best of 3 games.
- The first two games will be played to 11 points, baskets worth one and two points, and if necessary a third game will be played to 7.
- All women's games are played to 7 points.
- Each team can use one timeout per game.
- After 5 points are scored, a team receives the ball back after they make a basket. Make it take it after 3 on games to 7.
- The ball must be **passed** off of the check.
- Each player is expected to call their own fouls. Fouls need to be called when they happen and loud enough for the scorekeepers to hear.
- After 5 team fouls the person who was fouled will shoot one foul shot for one point. No players will be on the line. If the shooter makes or misses the shot, the ball goes to the opposite team.
- If play gets out of hand, a referee will be provided or the game will be terminated.

### Additional Rules for Coed

- Coed will be played with two guys and one girl. If there are two girls and one guy, one girl must be designated to be treated as a guy.
- Girl's baskets are worth two and three points
- After a dead ball a girl must touch the ball before the team can score.
- A guy cannot block or steal from a girl. They can help, but must keep their hands straight up. If a guy touches the ball or the girl at all while she is shooting, she receives an automatic 2 or 3 points.
- If there are any questions, ask anyone on the Intramural Staff.
