

# Dixie State Intramurals

## 6 V 6 Outdoor Soccer

---

### Eligibility

- To participate in Intramural sports a player must be a current Dixie State student and needs to present an ID card at every event. A player may only play on one team per sport. A player that has not played in the regular season may not be added to the roster for the tournament/playoffs; only players who have previously played on the team can play during the tournament/playoffs. If a team is eliminated the players may not play on a different team. A current DSC collegiate athlete may not play the same sport in Intramurals.

### Sportsmanship

- Participation in DSC Intramurals is a privilege; it is for enjoyment and enhances the college experience. Respect for teammates, opponents, and the Intramural Staff is expected. Acknowledge that the referees are not professionals, but fellow students. Having amateur and inexperienced officials will result in inconsistencies and/or discrepancies in their calls throughout the course of a game or season. Respect for officials is mandatory, and disrespect will not be tolerated.

### Rules

- Six players for each team play at one time.
- The minimum number of players to begin a game is 4.
- A forfeit will be in place ten minutes after the scheduled game time.
- Games will consist of two, 18 minute halves.
- No time outs are allowed.
- The clock runs continuously unless the Intramural Staff feels a need to stop it.
- Physical play is not tolerated.
- All other rules will follow the UHSAA rules.
- The Intramural Staff has the right to alter rules as needed.

### Additional Coed Rules

- Coed is played with three men and three women on a team.
- If there are only five players, there cannot be more men than women on the field.
- Women's goals are worth two points and men's goals worth one point.
