RISK & LIABILITY RELEASE

The risk of injury is inherent in many of the recreational sport activities offered by the Intramural Program. It is strongly recommended that individuals intending to participate in the Dixie State College Intramural Program should, for their own protection, have a physical examination to determine if they are physically able to participate, be fully aware of all inherent risks involved in that sport, and have medical insurance to cover expenses incurred in the event of an injury. Dixie State College does not provide any accident coverage.

By signing below I agree and understand that I will not hold Dixie State College or the State of Utah liable for any accident, injury, sickness, death or any associated cost which may result from my involvement in intramural activities, and that I will hold Dixie State College and the State of Utah free and harmless from any or all liability and responsibility for my actions and incidents that occur to me, or result of my actions.

I also agree to the Intramural Policies that are listed in the Intramural Handbook, and agree to the **NO CARD, NO PLAY** rule, at every intramural game.
