DIXIE STATE COLLEGE COURSE OBJECTIVES:

All mathematics courses at Dixie State College will:

1. Require students to perform mathematical processes, including fractions, percentages, decimals, proportions/ratios, algebraic equations, and/or calculus techniques.
2. Provide students with application problems that use a variety of methods, including arithmetic, algebraic, and geometric.
3. Challenge students to make inferences from mathematical models that include formulas, graphs, and/or tables.
4. Provide students with real-life applications that use a variety of mathematical functions.

Upon successful completion of Math 1010, a student will demonstrate through testing the ability to:

1. Perform basic mathematical operations on rational numbers with and without a calculator, including fractions, percents, and decimals.
2. Use algebraic processes to solve algebraic equations in one, two, and three unknowns.
3. Demonstrate the concept of equivalence, including the use of variables to define relationships.
4. Work with functions that serve as models of real-world problems, including polynomial, quadratic, exponential, and logarithmic.

INSTRUCTOR EXPECTATIONS:

1. Attendance is of prime importance in any college class but especially in a mathematics class. Therefore, students should make every effort to show up.
2. Homework (including the chapter test) will be collected, graded, and returned on each test day. Late homework will receive half-credit; too-late homework will receive no credit.
3. A graphing calculator is required; a TI-83 Plus is highly recommended.
4. Cheating will not be tolerated and may result in an F.
5. Without prior permission or a documented excuse, make-up test grades will be reduced by 10%.
6. Occasional pop quizzes may be given; points will be added to the homework points.

GRADING:

6 tests @ 100 points each (lowest test dropped)

7 HWs @ 15 points each

Final exam @ 200 points

for a total possible 905 points

Grades by percentages:

A: 93-100; A-: 90-92;

B+: 87-89; B: 83-86; B-: 80-82;

C+: 77-79; C: 70-76; C-: 65-69

D: 60-64; F: <60

NOTE: If you are a student with a documented physical or mental impairment that will substantially limit a major life activity, please contact the Disability Resource Center on the main campus. The Center Coordinator and staff will assist you in analyzing your eligibility for services. If you are deemed eligible, reasonable accommodations that are appropriate to your disability will be assigned. If you have any questions concerning this process, please contact the Center at 652-7516. We are located in the Student Services Center, room 201, of the Edith Whitehead Building.

NOTE: All information sent from the college or the instructor will be sent to your dmail account. You MUST check that email account at least once a week. You are responsible for knowing what is contained within those messages.
